

## Message from your Public Relations Officer

Wow, how quickly time passes when you play hard and work even harder. It does not feel like I have been in the position 6 months now, but I am loving every bit of it. I guess I should let you know some of the things that have taken place and some that are yet to come.

If you have not had an opportunity to see the club since the remodel, please do. The Volunteers dedicated nearly 7 days to complete the change and did it over a Holiday weekend. Huge Thank You from to all of you.

The Club has a new look and feel literally, with the addition of two (2) Air Conditioning units, new décor and a paint job.

We have enjoyed some group lead parties, such as Bound to be Knotty party, TNG (the next generation), SSLA Invasion (south sound leather alliance).

A new addition in 2016 to the schedule is the Tiny Totz party that takes place the Second Saturday of each month. This is a G rated littles afternoon with classroom structured activities, lots of giggles, tickles and fun.

July 15th is the Queers and Allies party

July 16th is the Kitsap Pride at Evergreen Park followed by Pride Party with special Guests:

2016 Washington State Bootblack and 2016 Washington State Ms. Leather

Stop by and get your Kitsap Pride 2016 t-shirt at the Booth while supplies last.

Keep your eyes on the Kitsap Aces Group on Fetlife and be sure to check follow so you get the latest news.

We had the great pleasure of seeing a few workshops such as the Predicament Play, Anyone can Fly Part I and II and one heck of a taster with many out of town tops to give you a taste of something new.

Coming this fall: subs/slaves/switches with their Sub hats on Party, KLA (Kitsap Leather Alliance) party, switches ONLY party; as well as another Taster.

I am always on the hunt for presenters, ideas and more volunteers to help make our space and our teams the best.

Keep Safe, stay Kinky and best of all enjoy what you enjoy

JuneBella

## Kitsap The Next Generation aka TNG

A group designed to help the young people of the lifestyle in the Kitsap County area connect and forge relationships. The age of members of this group range from 18-35.

We are a discussion based group, finding new and interesting things that cater to our attendees every month. We meet the second Wednesday of the month from 7-9pm at the Denny's on Kitsap Way in Bremerton. We're always open to new people attending and welcome everyone who comes to join our meeting.

We can also be found on [fetlife.com](http://fetlife.com), under the aforementioned title.

## Kitsap Novice and Newcomers

This is a group focused on discussions for those that are both new to the area, new to the lifestyle, or wants to try something new and needs some questions answered. We tend to run between 6-20 people depending on the night and are a topic based group. Here we provide a safe place for folks to ask the most

awkward questions that everyone has in their kinky minds when first entering the lifestyle. This is also the group to ask questions when you may not be a new comer but want to try something new and don't know where to start. We meet the 2<sup>nd</sup> and 4<sup>th</sup> Thursday of the month at Aces. Doors open at 6:30 for time to socialize and the group discussion starts at 7. You can contact the group moderator on Fet through the Kitsap Aces group or through Kitsap Novice & Newcomers. The topic of the week is posted a few days in advance. If you have any questions or would like to have a specific topic, feel free to post on the group page on [fetlife.com](http://fetlife.com), or contact the group moderator Silverleather or Adelinah. Hope to see you soon!
